FAMILY PROMISE WEEK 2020

OCTOBER 18-24

Family Promise of Laurens County officially opened to host families in February 2020. Since COVID-19 put a pause on our rotational model, we have continued to serve families experiencing homelessness in more creative ways. In July, we began hosting guests at a static site of one of our host congregations, Centerpoint Wesleyan Church. Your gift will help us continue providing financial assistance and other essential services to families experiencing homelessness in Laurens County.

Visit familypromiselaurenscounty.org to donate or mail your tax deductible gift to Family Promise of Laurens County, PO Box 1608, Laurens, SC 29360.
